Share 2010

The deduction against potential for some monies paid out by parishes will continue.

If you have paid out monies in the year ended 31 December 2008 which comply with the following guidelines, and you wish to make a claim, please complete and return to me the tear-off slip below, when you submit your accounts.

For the 2010 calculations, your form should be with us by no later than **30 June 2009** and, to ensure that your parish has not been missed, can I please ask for a return, **even if it is £Nil**.

Guidelines for claims:

1. Monies paid out should not be funded from external sources.
2. Monies paid out should be for mission and ministry, directly or indirectly. This will include the cost of youth and similar workers or admin staff, to enable others to perform mission and ministry.
3. Providers of music in churches, organists, choir leaders, etc are not allowable, principally because they are present in most churches.
4. Those who maintain churches or ancillary buildings, cleaners, caretakers, etc are not allowable.
5. Those who work in ancillary activities, playschools, daycare centres, etc, are not allowable if their salaries are funded by users of the activity or by grants from outside bodies.

Many thanks
