

# **RHYTHM**

**OF LIFE**

**for primary schools**

**In this season of Trinity,  
we choose recreation and  
rest in Jesus' name.**

**Amen**

What have you remembered from collective worship this week?

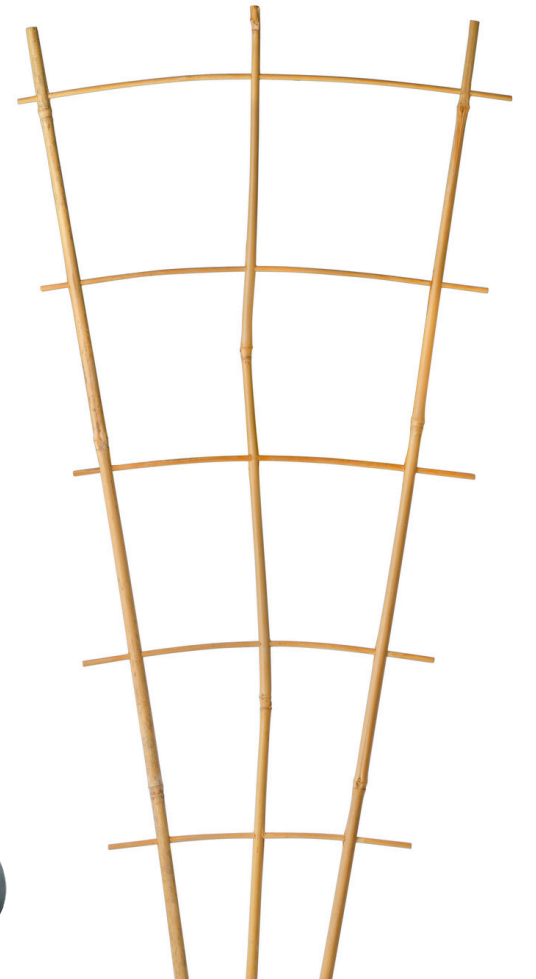

What stories do you recall?

What ideas have stayed with you?

**We are going to reflect on an image together.**

We will be quiet whilst we look at it. Then we can share what we are thinking about.

The potter creates amazing things with their hands.

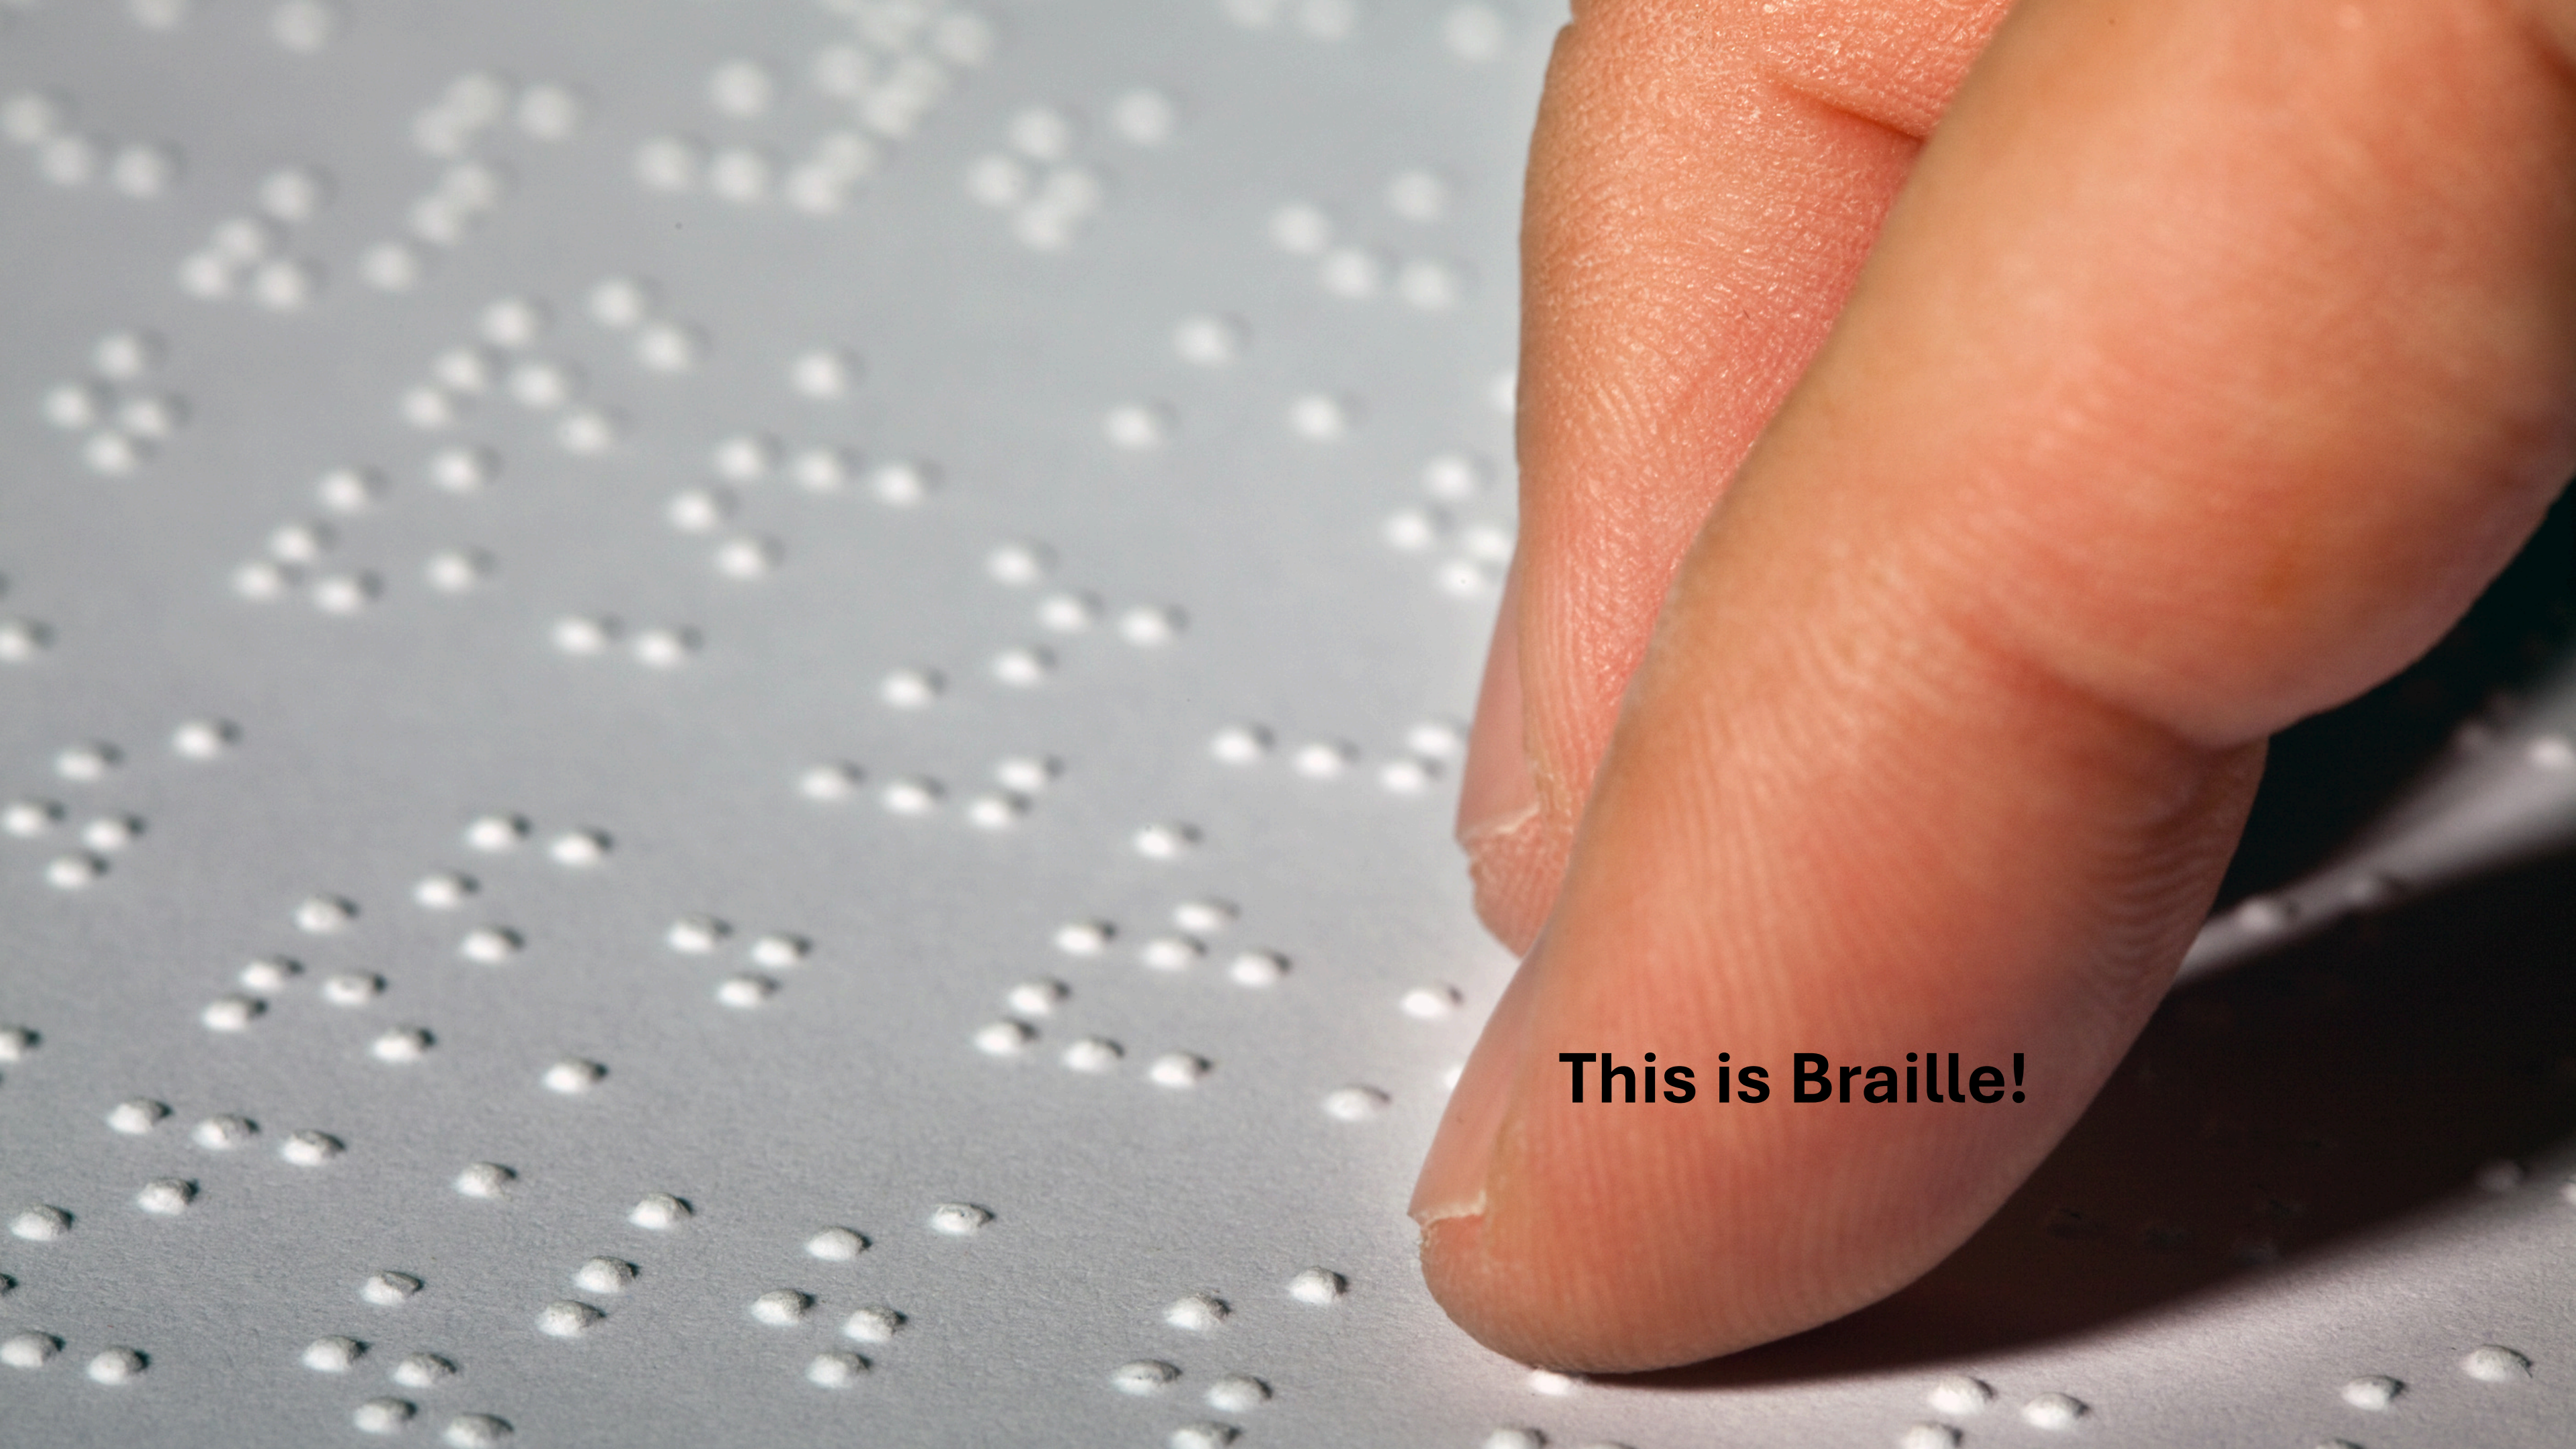

**Do you know someone who is really creative?**

Louis Braille was a creative person.

He was born over 200 years ago. But when he was just three years old he had a terrible accident and lost his sight. He was blind.

Louis wanted to read and tried to learn by running his fingers over raised letters but it was very hard. So he invented a special system of writing using coded dots embossed on card so he could feel the bumps and read! Amazing creativity!

**This is Braille!**

The Bible says the Earth is a gift - carefully created by a Creator God! God is creating and re-creating all the time.

**Psalm 24 in the Bible says:**

The world and all that is in it belong to the Lord;  
the earth and all who live on it are his.

He built it on the deep waters beneath the earth  
and laid its foundations in the ocean depths.

Christians believe humans are creators too because God made humans  
and we reflect God's creativity.

It is so important to care for our world as look after this gift we have been given! But climate change is spoiling and destroying creation. Climate change is caused by us not looking after our planet.

**Can you think of some of the effects of climate change? Share your thoughts with your partner.**

You might like to watch [this video](#) to understand more about climate change.

**Let's Sing!**

The Lord's My Shepherd

## **Let's think**

What can we do to be re-creators and not destroyers?

How can we commit to help slow down the effects of climate change and look after the world we have been given?

## **Let's pray**

Lord Jesus

We pray that our school will be a place where everyone can grow and flourish. Please help us to make time to rest as we follow you. Teach us to care for creation as we wait for your Kingdom to come. **Amen**
