the fx prayer:

Gracious God,

Keep us ever mindful of your presence thankful for what has been and excited for what is to come. May we walk in humility always hungry for more of you. Open our ears that we would always hear you. Break our hearts for what hurts you. Holy Spirit lead us always to where you need us to be. Equip us to be a courageous movement telling stories of hope And proclaiming, in fresh ways, the Good News to this Generation; to the Glory of our Lord and Saviour Jesus Christ

Amen
